**Next Issue:**  
**August 2015**

## Pool Memberships

All pool memberships have been delivered to your apartments. If you need another, please give the office a call. Be sure to review the pool rules and regulations with your children. And grandparents, we still have the special for you. We hope everyone has a safe and happy summer.

## Gardens

Please remember that vegetable gardens are not permitted behind your home. We have added additional plots to our community garden so there should be room for our gardeners. If you are interested, please come to the office and pick out the number of the plot you want. We ask that you keep your garden in presentable condition and share your garden pictures on Facebook or with the office.

Plant flowers if you would like around your home, but please do not plant large trees or bushes. Thank you for understanding.

## Cell Phones

We have all had to listen to noisy, one-sided cell phone conversations – and we know that it can be quite annoying. Before you enter the Meetinghouse office, please finish your cell phone conversations. Also please keep calls in the pool area brief. It will be more comfortable for everyone

## Keep Kids Safe When Playing Outside

Warm weather makes it more fun to be outdoors. And with the lush green space and lovely playground, Meetinghouse is a perfect place for kids to play outside.

To ensure their safety, please remind your kids not to play in the street or the parking lots! Kids don't always notice when cars come into the lots, making it dangerous for everyone. Please keep our community safe by asking your children not to play in the street.

## Feedback – Always Welcomed!

We're proud of the sense of community that's developed here at Meetinghouse. To keep it up, we'd like your help! We'd love to hear your feedback about the community. What kind of events would you like to see? What can we do to serve you better? Give us a call, send us an email or stop by the office and let us know what you like about living at Meetinghouse.

## BBQ Grills

Don't forget that if you live in the brick buildings of Meetinghouse or a second-floor, one-bedroom apartment, our township prohibits you from using BBQ grills on your patios or balconies. If you like to grill, we have a nice BBQ pit at the pool area. Use it at your convenience during pool hours!

## Bird Feeders

Although it is a nice gesture, please do not place a bird feeder outside of your unit. Since we are so close to the woods, feeders attract all sorts of stray animals – particularly squirrels! Feeding squirrels can lead to them entering the buildings, and getting rid of them can be an endless job for our maintenance team.

## Smoke-Free

As you are aware, Meetinghouse will be smoke-free by January 2016. If you need assistance with quitting smoking, Crozer-Keystone has a Quitline: 1-800-QUIT-NOW or [www.tobaccofreedelco.com](http://www.tobaccofreedelco.com)

## Dogs Are Welcome

Meetinghouse welcomes dogs with some stipulations. To keep the community safe, we do not allow aggressive breeds. Dog owners are required to tend to their pets at all times, keeping them on a leash while walking on the property and cleaning up after them. We have dog-waste stations throughout our community.

For off-leash exercise, we have a dog run across from K Building. Here, pet owners can allow their furry friends to roam freely.

## Update Your Contact Information

If your contact information changes, please notify the office immediately, as it's important that we have your accurate phone number and email address. We need to be able to reach you in case of emergency – such as if your child forgot the key or got dismissed early – and to send you community notices. Please make sure we can contact you.

## What's New at Meetinghouse?

Reserved parking is available for \$30 per month. Interested? Call Tinesha at extension 612.

There is now a bike shelter across from the T building.

Coming soon: a car service station! Air and vacuum will be available for \$.25 for 4 minutes.

## Landscaping

Please make sure all bikes, lawn furniture, toys, etc. are on your patio on Mondays and Thursdays, when the landscapers cut the grass. This will make it easier for the workers and give our lawns a much nicer appearance when they're completed. Also, please be sure not to clutter your back area with too much furniture. Keep the area neat and clean – sometimes less is more!

## Sitter Available

If you are looking for a dependable sitter, Marcia in G Building is available to watch your child this summer, especially at the pool. If interested, give her a call at 610-494-5430.
